EXHIBITOR COMMENTS

"Being first time participants at the Africa LED Expo was really an eye opener for our business. We collected a number of leads which we are working hard at closing them. Being a main sponsor uplifted our brand visibility and created great hype and excitement around our brand. The entire team enjoyed preparing for the showcase and it was indeed a success. We wish to thank the event organisers for the professionalism in ensuring that the standard of the Expo was world class. We look forward to 2018's showcase."
